FUEL NEXUS - WEB APP

● *MODERNIZED USER MANAGEMENT CAPABILITIES*

● *SIMPLE MONTH AND YEAR END REPORTING*

● *STATE OF THE ART PROJECT MANAGEMENT*

● *GENERATE COMPREHENSIVE REPORTS*

UNPARALLELED PRICING INSIGHTS

Our easy to use software consolidates all distributor invoices into one, giving companies the ability to run date selected reporting. By using our app monthly and year end accounting becomes seamless. Companies can add and remove drivers to the company profile, streamlining fuel management and minimizing fuel theft. Companies also get access to our pin based card tracking system.

FUEL NEXUS - MOBILE APP

Our mobile app gives users real-time visibility into locations with quick look up features such as "Find Closest Station" and "Find Cheapest Station". Users can check issued cards, pins and report any card related issues to our support team. Drivers only see stations that a card has been issued for. Fuel types and fuel limits can be managed per driver.
