

Fuel Nexus

Innovative Fuel Industry Technology

COMPANY OVERVIEW

FUEL, REIMAGINED

Fuel Nexus is an innovative, Canadian company that has re-imagined the transportation and fuel landscape. We're thrilled to offer businesses like yours access to our modernized fuel infrastructure and technology stack. By leveraging the efficiency of the Fuel Nexus software our distribution partners and customers benefit by saving time and money. Our customers have access to one of the largest distribution network in Canada.

FUEL NEXUS - WEB APP

● *MODERNIZED USER MANAGEMENT CAPABILITIES*

● *SIMPLE MONTH AND YEAR END REPORTING*

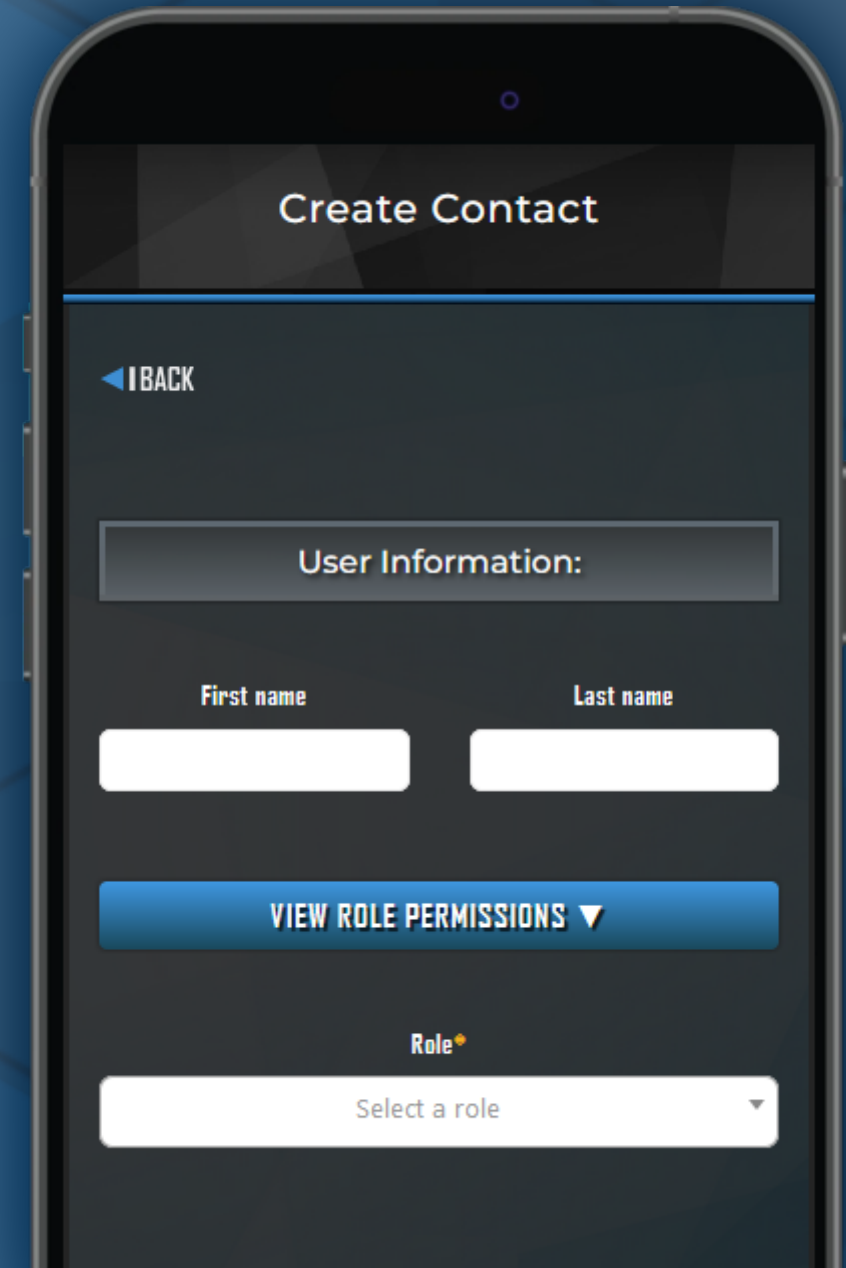

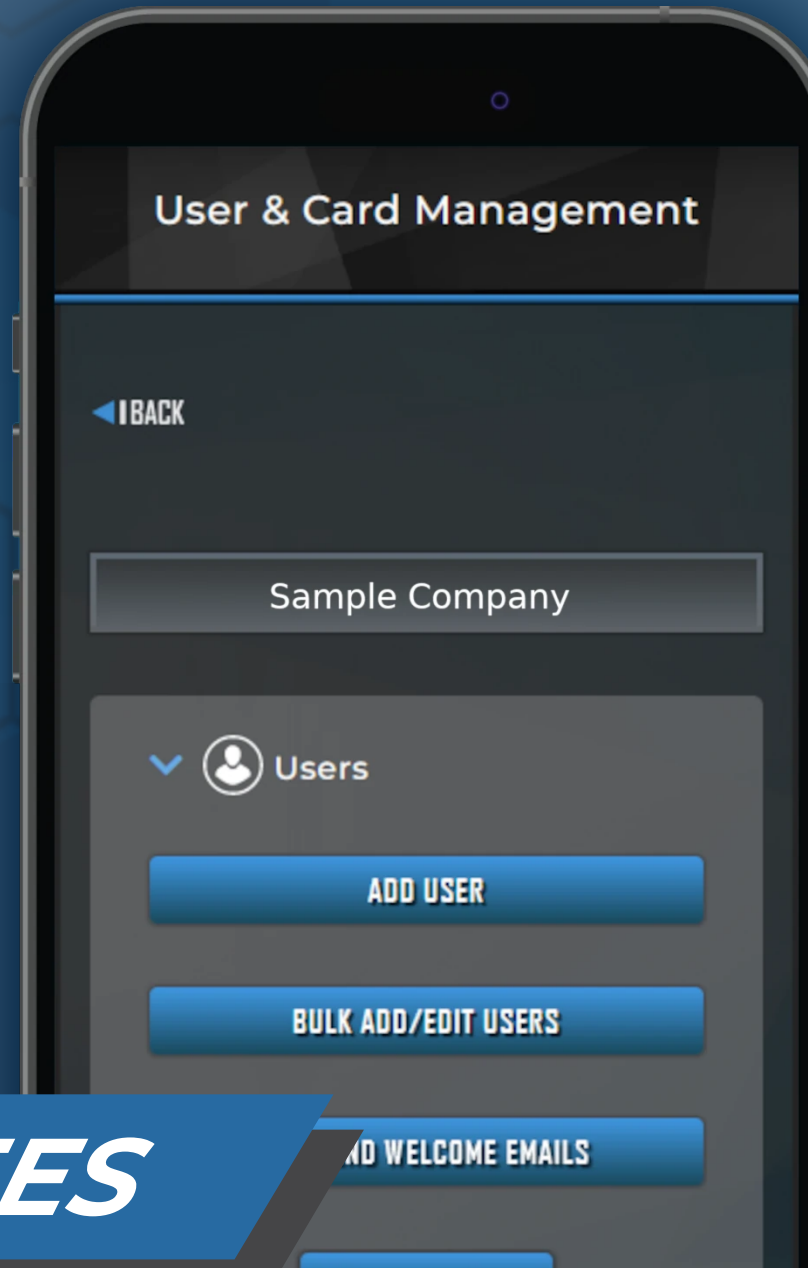

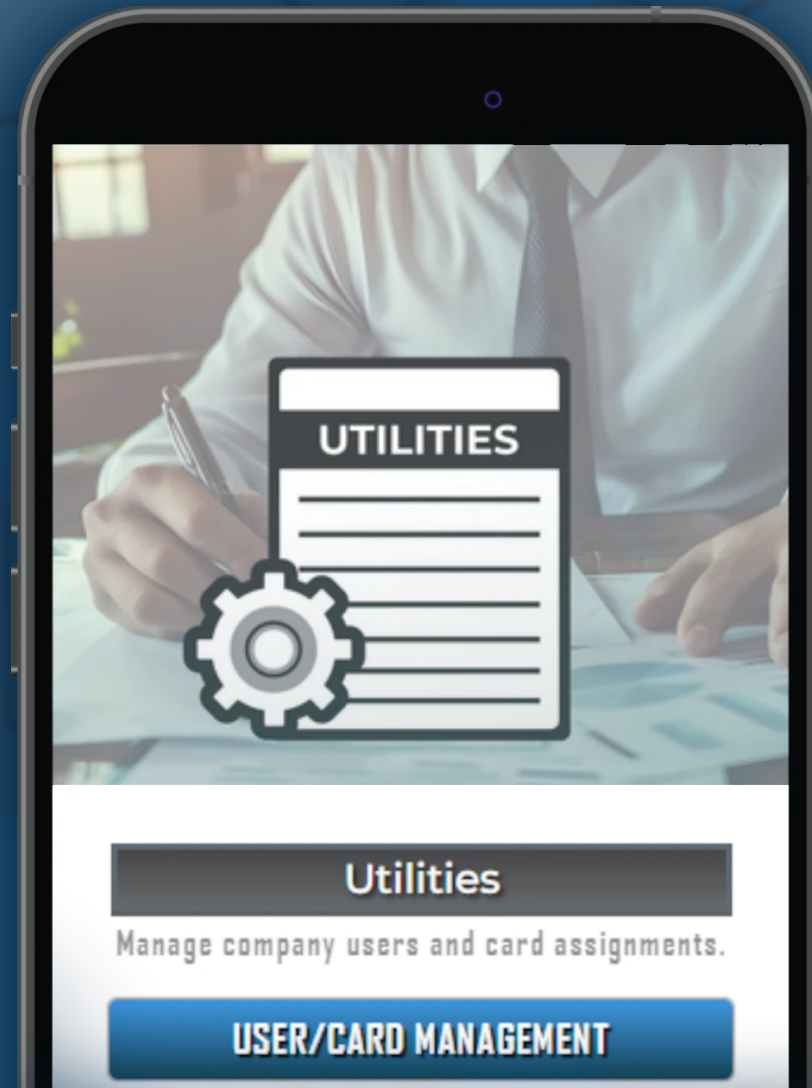

● *STATE OF THE ART PROJECT MANAGEMENT*

● *GENERATE COMPREHENSIVE REPORTS*

UNPARALLELED PRICING INSIGHTS

Our easy to use software consolidates all distributor invoices into one, giving companies the ability to run date selected reporting. By using our app monthly and year end accounting becomes seamless. Companies can add and remove drivers to the company profile, streamlining fuel management and minimizing fuel theft. Companies also get access to our pin based card tracking system.

USER MANAGEMENT

ASSIGN YOUR EMPLOYEES

CREATE AND ISSUE INVOICES

Get paid on time and save employee resources. Quickly generate templates and streamline your processes with our invoice creation tool. Our software enables your company can resolve invoices faster and improve employee efficiency.

CARD MANAGEMENT

CONVENIENT CARD TRACKING

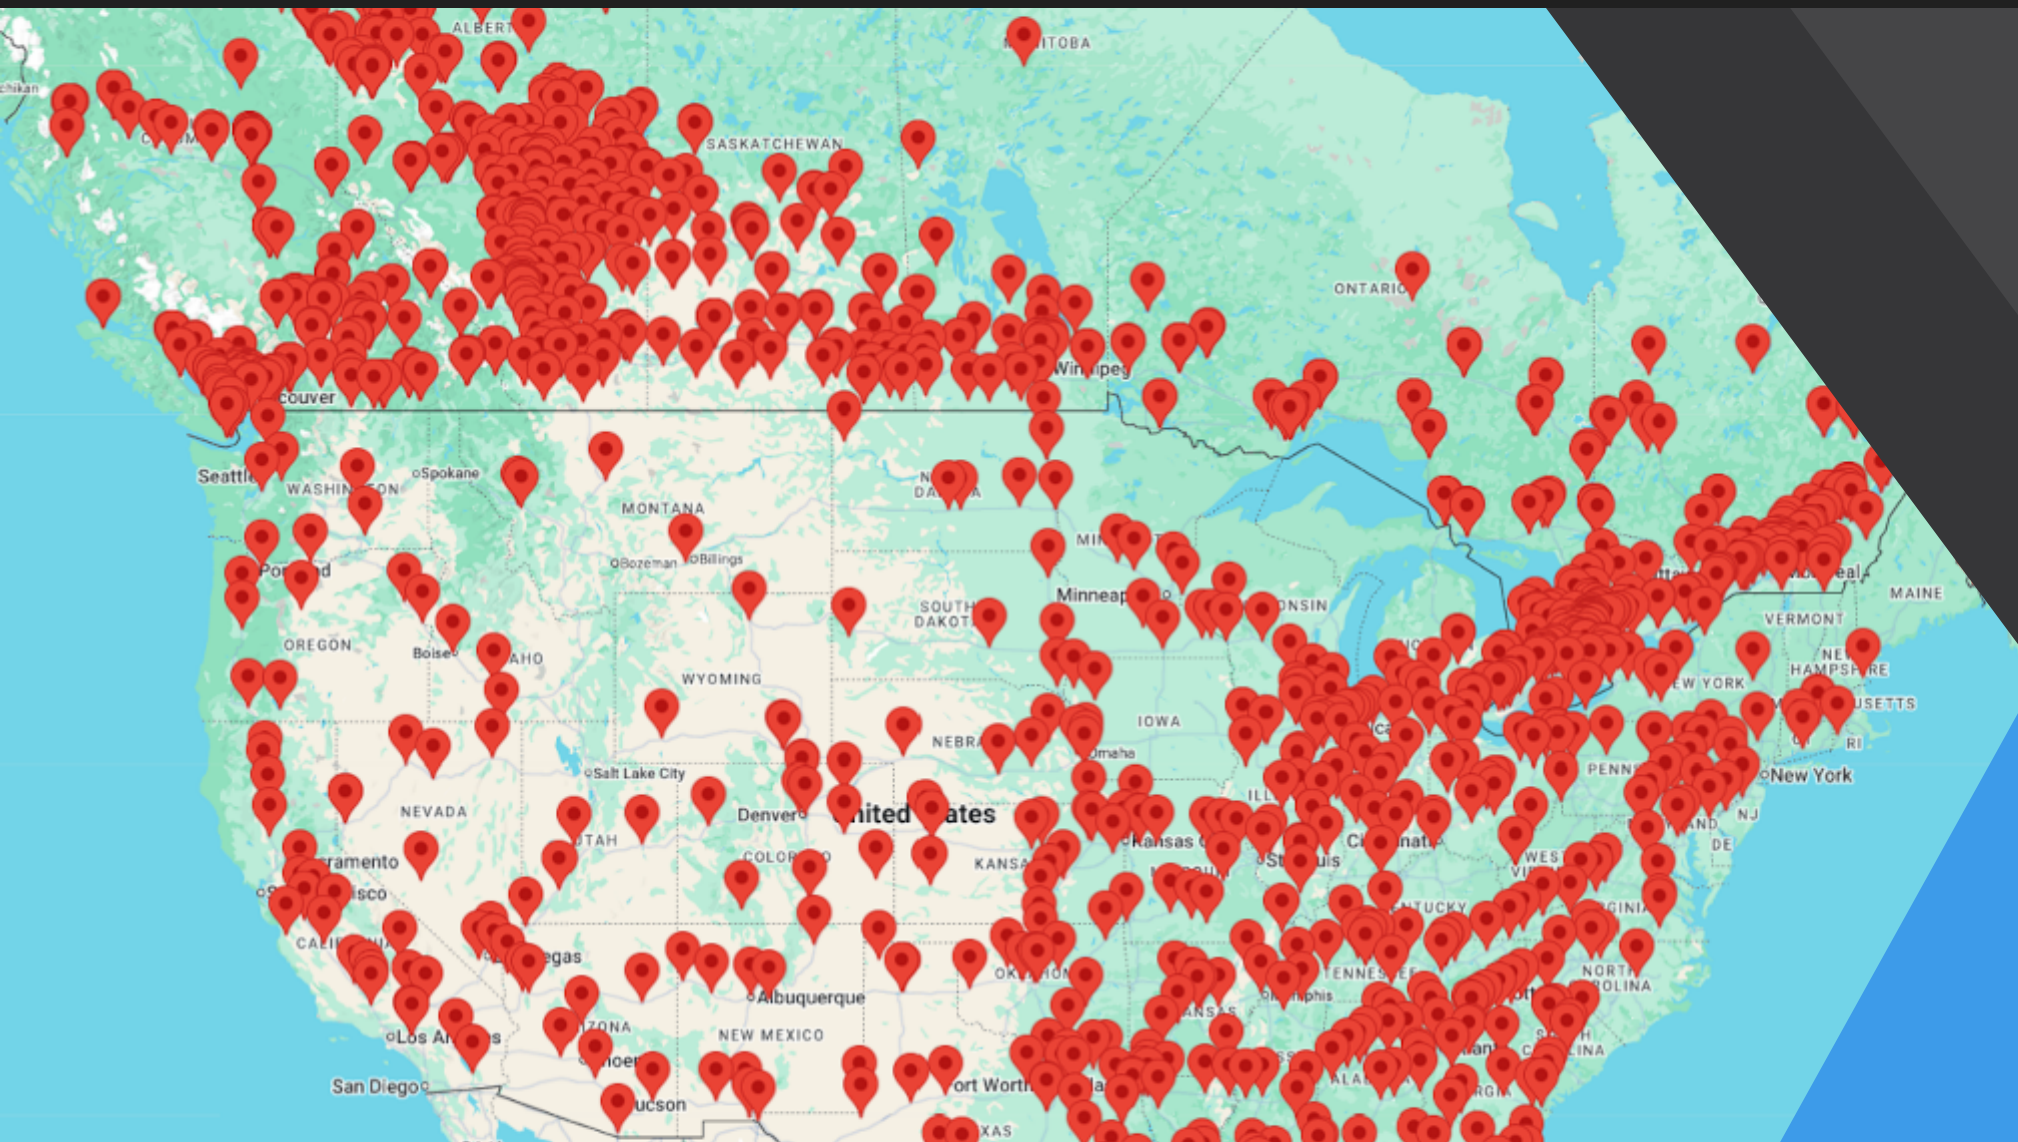

Our innovative card management tool enables your company to quickly assign fuel cards to your employees. Set usage limits and categories to track how cards are being used. With included issue reporting employee card management has never been so seamless.

FUEL NEXUS - MOBILE APP

Our mobile app gives users real-time visibility into locations with quick look up features such as "Find Closest Station" and "Find Cheapest Station". Users can check issued cards, pins and report any card related issues to our support team. Drivers only see stations that a card has been issues for. Fuel types and fuel limits can be managed per driver.

RETENTION & REWARDS

**FUEL UP AT CARDLOCK
LOCATIONS ACROSS THE
CONTINENT**

**Empowering Employee Engagement
Through Fuel Savings.**

Reward your team with access to the Fuel Nexus card lock network—offering convenient fuel-ups, continental coverage, and real price savings. By giving employees their own Fuel Nexus card, you reduce fuel theft and boost ownership. Our secure invoicing system ensures employers are never liable for employee fuel purchases, making this a cost-effective, trusted solution for engagement and retention.

EXPANDED FUEL NETWORK

**SAVE YOUR CUSTOMERS TIME
BY GIVING THEM ACCESS TO
OUR CARDLOCK NETWORK.**

**Providing more options for
your customers to fuel up
and save.**

By partnering with Fuel Nexus your customers can utilize one of the largest distribution networks in Canada. Expand your customers fueling options saving them time and money. Offer clients our purchase tracking and convenience tools to add extra value helping to increase customer loyalty. Gain access to the Fuel Nexus customer base and make extra revenue when they use your stations.

STREAMLINE YOUR OPERATIONS

**IMPROVE EFFICIENCY BY
INTEGRATING OUR FUEL
SOFTWARE INTO YOUR
DAILY OPERATIONS.**

**Gain insights into your company
with access to analytics from our
software stack.**

Benefit your company and increase your operational efficiency by taking advantage of our software tools in your daily operations. Accelerate accounting, loss tracking, market performance and overall employee productivity. Get insights into daily fuel prices to ensure that your companies prices are competitive.

INCREASED SECURITY

**INCREASE SECURITY AND
PREVENT LOSS WITH OUR PIN
BASED CARD TRACKING SYSTEM.**

**Issue unique PIN based cards to your
customers and employees.**

Offer your customers the benefits the Fuel Nexus card PIN database. Track spending and set card permissions. Enable time limits on usage and ensure employees are only spending what is necessary to complete projects. Saving your customers time and money. With unique pin-based tracking companies can prevent loss and target troubling patterns quickly.

ALGORITHMIC PRICING SYSTEM

**AUTOMATICALLY ADJUST
FUEL PRICING BASED ON
REAL-TIME MARKET
CONDITIONS.**

**Stay on top of the competition and
ensure prices are competitive
while maximizing profit.**

Fuel Nexus has procured access to fuel pricing data nationwide. We use this data with our proprietary algorithm to provide dynamic updates for fuel prices. Using this tool your company can stay ahead of price changes from competitors. This ensures your prices are in line with the market while maximizing your margins on fuel.

WHITE LABEL PRICING
